

# Monitor Stand (P014)

*Dual monitor desk mount stand.*

Optimize your workspace and improve ergonomics with our Dual Monitor Desk Mount. It supports two monitors up to 27 inches each, allowing you to free up valuable desk space. The fully adjustable arms let you tilt, swivel, and rotate your screens to the perfect viewing angle.

Constructed from heavy-duty steel, this stand provides a stable and secure hold for your monitors. It features a cable management system to keep your cords organized and tangle-free. Installation is easy with the included C-clamp or grommet mount options.
