

Smart Watch (P010)

Fitness tracker with heart rate monitor.

Stay on top of your health and fitness goals with our advanced Smart Watch. It tracks your daily activities, including steps, calories burned, and distance traveled. The built-in heart rate monitor provides real-time data to help you optimize your workouts.

Receive notifications for calls, messages, and social media apps directly on your wrist. The vibrant color display is easy to read, even in bright sunlight. With a water-resistant design and long battery life, this smart watch is ready for any adventure.
