

Tablet Case (P011)

Rugged protective case for 10-inch tablets.

Protect your tablet from drops, bumps, and scratches with this Rugged Tablet Case. Designed for 10-inch tablets, it features a shock-absorbing silicone outer layer and a hard polycarbonate inner shell for maximum durability. The raised edges protect the screen and camera.

This case includes a built-in kickstand for hands-free viewing, perfect for watching movies or video calling. Precise cutouts ensure easy access to all buttons, ports, and cameras. It also features a comfortable hand strap for secure holding.
