

# Smartphone Stand (P002)

*Adjustable aluminum stand for all smartphones.*

Elevate your mobile experience with our premium Smartphone Stand. Crafted from high-grade aluminum, this stand offers both durability and a sleek, modern aesthetic that complements any desk or nightstand.

The adjustable hinge allows you to find the perfect viewing angle for video calls, watching movies, or reading recipes in the kitchen. Anti-slip silicone pads ensure your device stays securely in place, while the open design provides easy access for charging cables. It folds flat for convenient portability.
